Selected Topic – Line lite chat application

I. Persona

1. Employee (UX Designer) – Amarasiriwardena R.S IT19035918

Catherine Smith
28, Los Angeles
UX DESIGNER

• STATUS SINGLE • SALARY \$50K
• TIER MID-LEVEL • ARCHETYPE PERFECTIONIST

PERSONALITY

- Creative Thinking
- Adaptability
- Design Thinking
- Prototyping
- Coding

BIO

Catherine recently started a new job as a UX design in a start-up software engineer company. She moved over from the start-up world and is still getting used to all the changes, particularly the paperwork and other documentation works. She's excited to bring a user-focused perspective ideas to the design department but getting nervous because she's doesn't have much experience in this area.

Outside of the office she's a sports-mad psychology grad. She enjoys reading UX blogs and will sometimes go to UX-related conferences if they're nearby. She's also tuned into design channels like Dribbble.

II. Empathy Map

1. Employee – Amarasiriwardena R.S IT19035918

2. Businessman – Mannage G. IT19186634

Says

I want
to promote
my business

Can this app handle
the needs we want?

Which method
is the best?

I want to secure
way to share
ideas

I want to
display
products in a
attractive way

Thinks

What should I display
to the user?

Will I be able to
create groups?

Is this app better
than other apps?

Does

Get more opinions

Asks from friends in
same business
track

Hesitant

Feels

Unable to think
which option
is better?

Too much
stress

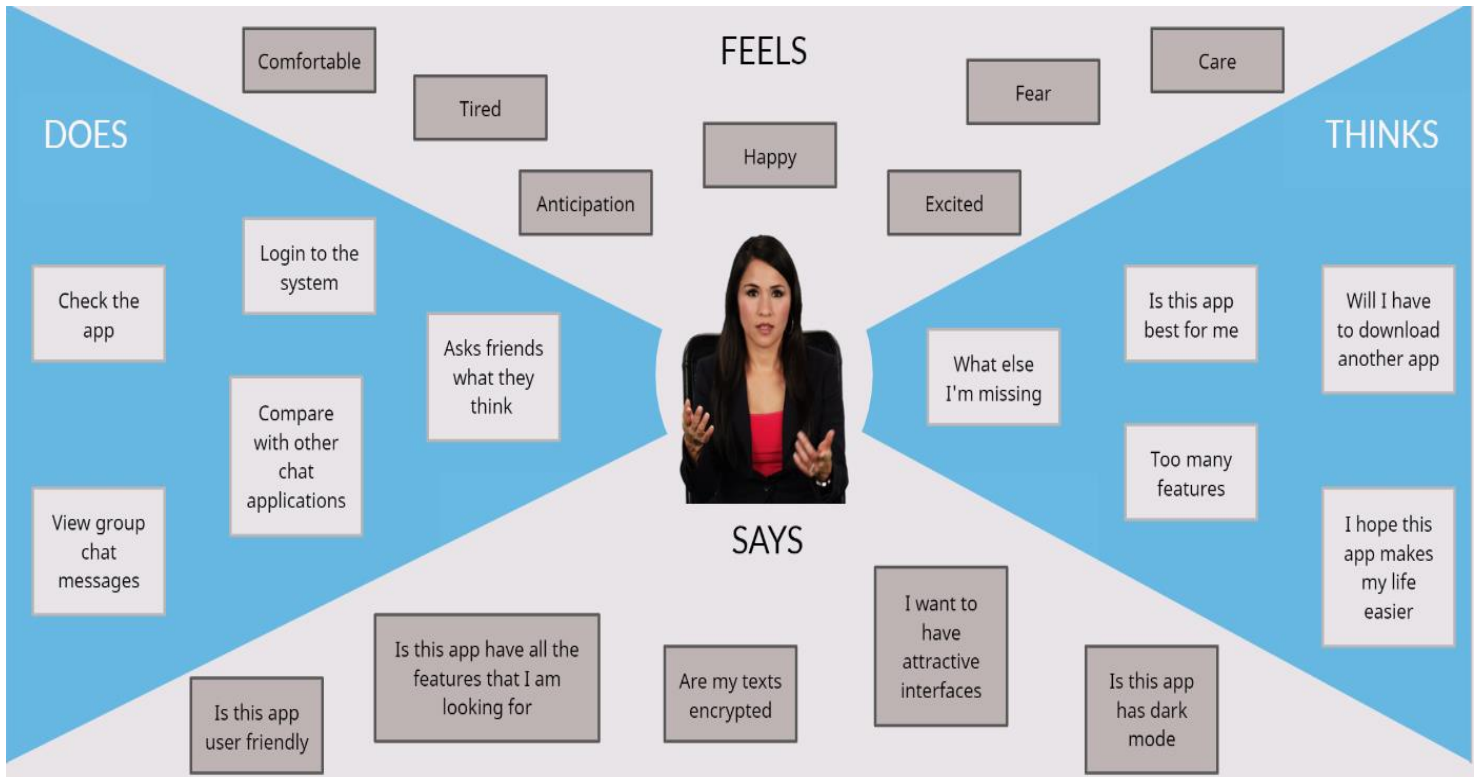

3. Teacher – Ranawansha P.P IT19152042

Says <ul style="list-style-type: none">- spends a lot of time for planning lessons- checking student work progress	Thinks <ul style="list-style-type: none">- it is better if large files could be uploaded to line chat groups- better if a scanner was available- better if the app could schedule meetings
Does <ul style="list-style-type: none">- make chat groups for each class in Line lite app- upload lesson materials and notices to chat groups- add students to chat groups class wise	Feels <ul style="list-style-type: none">- feels tired after work- optimistic and committed- disappointed in how lessons are done- worried that students might not learn from online lessons
