Member 1 – IT19152042 Ranawansha P.P	First fail points/blocking	Second fail points/blocking
Fail points/blocking	Verification code is not received	Uploading status should be included in this chat app
Evidence	 <p>After entering the phone number, a message is displayed as “verification code is sent”. Even after trying several attempts the code is still not received.</p>	<p>UEE Interview 01 –</p> <p>UI/UX developer video</p> <p>Time duration : 03.42 – 03.50</p>

<b>Member 2 -</b> <b>IT19035918</b> <b>Amarasiriwardena</b> <b>R.S</b>	<b>First fail points/blocking</b>	<b>Second fail points/blocking</b>
<b>Fail points/blocking</b>	There's no icon to display group individually	There's no search function. It should include in this chat app
<b>Evidence</b>		

<b>Member 3 – IT19186634 Mannage G.</b>	<b>First fail points/blocking</b>	<b>Second fail points/blocking</b>
<b>Fail points/blocking</b>	Message interface is not attractive. It must be developed	Notification function needed to be modify. Sometimes user will not receive message notification.
<b>Evidence</b>		<p>UEE Interview 01 –</p> <p>UI/UX developer video</p> <p>Time duration : 03.52 – 04.07</p>

<b>Member 4 – IT19163482 Fernando M.P.A</b>	<b>First fail points/blocking</b>	<b>Second fail points/blocking</b>
<b>Fail points/blocking</b>	Adding contacts to the contact list should be modified.( User interface should developed more)	User profile interface is not attractive. It needed to be improved.
<b>Evidence</b>	<p>UEE Interview 02 –</p> <p>Teacher Interview</p> <p>Time duration : 03.12 – 03.35</p>
